

Approach

by 404 Guild & 404 Guild

[Verse 1: Devenny]Begin beyond meDigging beside meUp there, [?] treeHold meI couldn't shut out of life, fear held meCloselyI couldn't look at the cave it scared meOnwards, sunbeamsQuivering different, tell meWhat lies in the dark, tell meCan't breathePace in the dark, fear quells meInto this black street(Please hold me)[Verse 2:

Sonny]In a nightmare but I'm still awakeMy mind's eye got blinded by ricochetI can't get away, stuck like sellotapeI got to keep moving, I'm in a maze, yeahI flirt with the enemy, assimilate(Dissipate, dissipate)My self-control just started to slip away(Dissolve it, dissipitate)Taking it all, medicine left a bitter taste(Blinded, hesitate)Slowly, I see a change[Spoken]I walk right to the windowAnd I saw flamesRight on the back of the fieldExtremely red flames and lots of smokeWhere can they go?When can they find?[Inaudiable]
